

HELLO, I'M ARUN PRASATH M

# UX/UI DESIGNER

India, Let's Work Together.

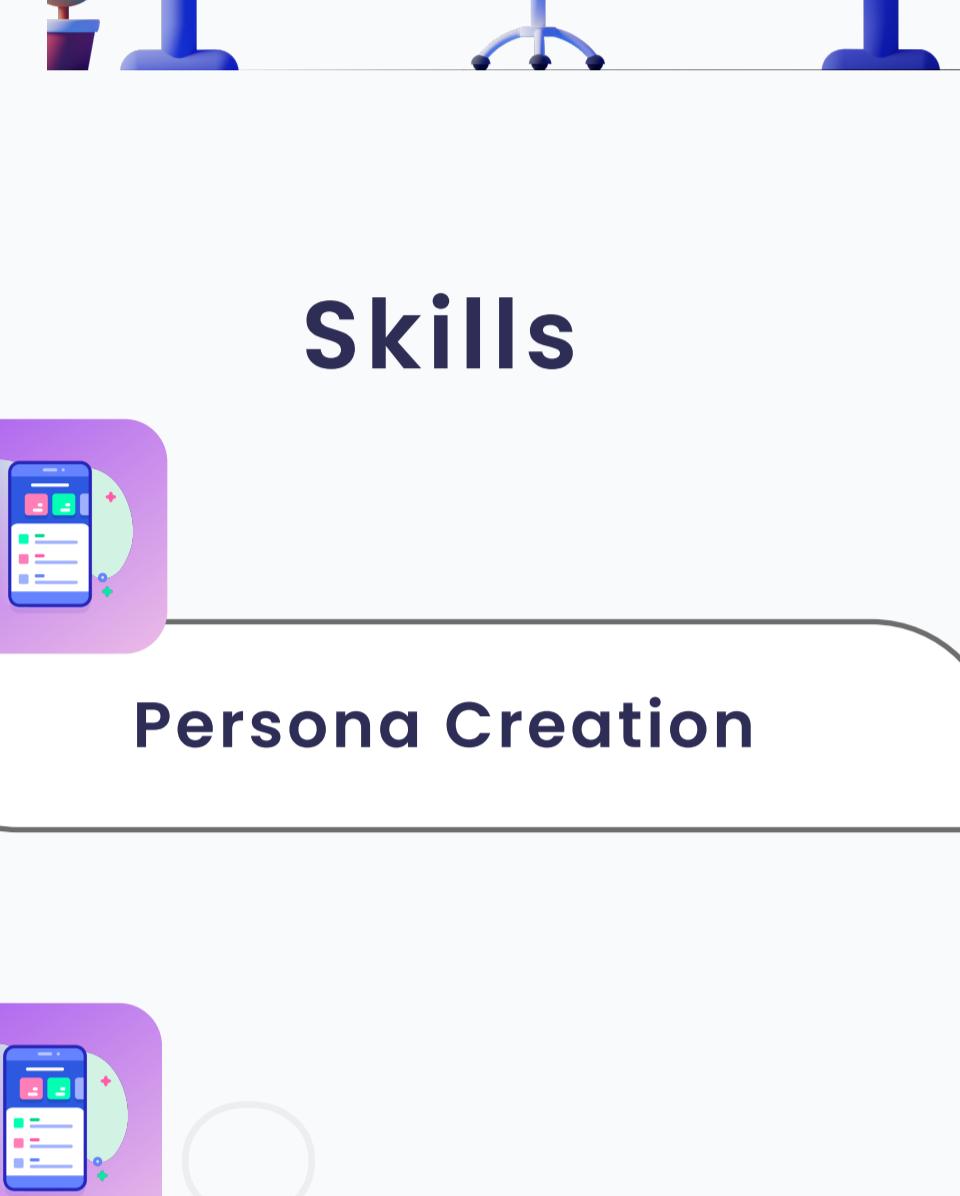

## ABOUT ME

I'm a User Experience (UX) / User Interface (UI) Product Designer. I Love to work together with software and design firms, communicating application design principles and strategies for ongoing development.

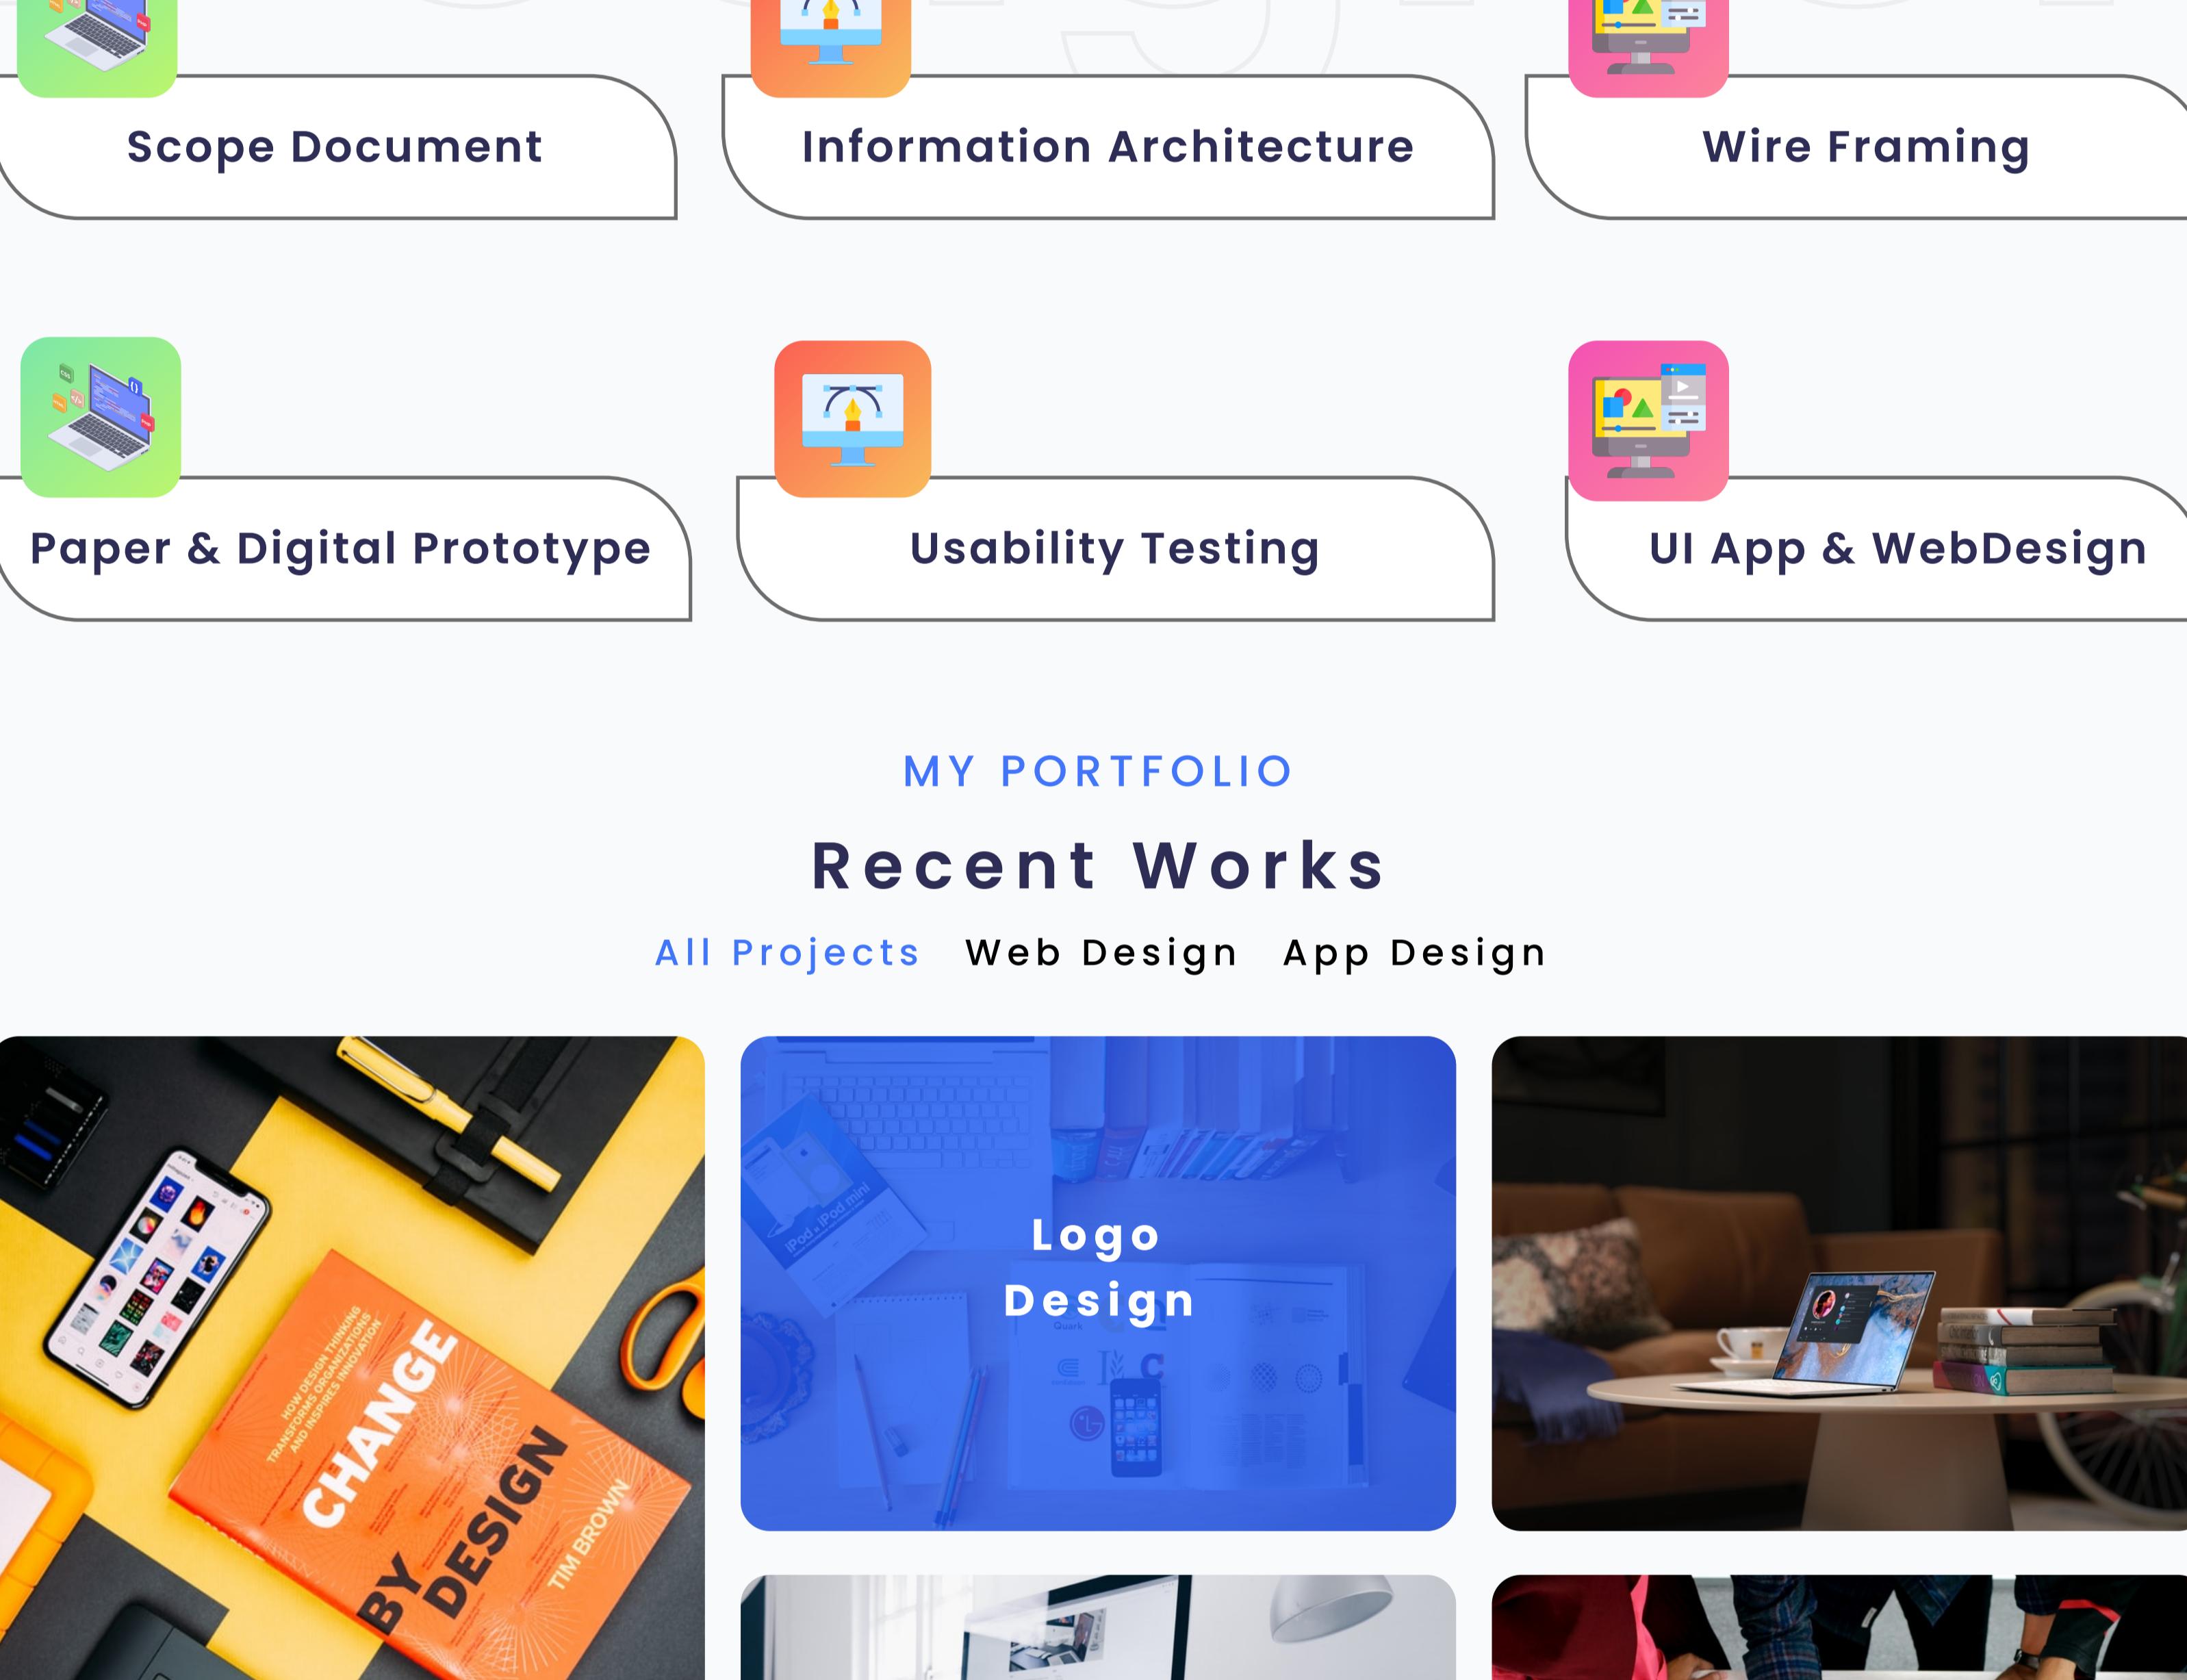

My aim is to create better interfaces and experience for the users, making the web application easier for the user. Simplifying communication barriers by bridging the gap between end users, designers and developers.
